## FITZHUGH LEE REELECTED COUNTY P M A CHAIRMAN

### Observations... By UDELL

Carelessness on the part of a hunter or passerby caused serious damage Sunday night when a forest fire spread through property from Highway 90 to the rear of the Delph residence on Dunbar avenue. With the aid of the Forest Rangers, who had already spotted the blaze, before being notified, the fire was brought under control in short time. But, if it had gotten out of control, many thousands of dollars would have been lost just because someone had forgotten to put out a cigarette or match or had burned trash without watching the fire. Timber in this area is a valuable product and is the lifeline of many residents here and about. Each year, through carelessness, someone's timber crop is decreased by forest fires. Always stop and think while in the woods and never drop a match or lighted cigarette or build a fire and leave shouldering ashes. The results are always disastrous, if not in loss of lives, in loss of valuable crops that may mean food on the table for someone.

We often wonder why the cross on top of Our Lady of the Gulf Catholic church is never illuminated. The cross, in all parts of the world, is a symbol of Christianity, not of one faith, but a symbol which all the country is looking for today. It represents our freedom and strengthens our faith. Why should this cross be used more or less for an ornament and never illuminated?

Our City fathers should take a ride around town and make note of the junk piles that have accumulated, particularly around the vicinity of the railroad. One yard there has accumulated so many old cars and other junk that it makes passing on that street a little difficult. Can't even see around the corner.

Can't something be done about it? Bay St. Louis is a nice little town and has shown a tremendous amount of progress in the past year, but it isn't a very clean city. For a small town, Bay St. Louis is certainly a messy one. Our beach front is never clean, and we are always growing and ruining the effect of what could be a nice view on entering the city from the highway. A clean-up campaign should be started and the difference from the beginning of the job to the end will be a sight worth the time and effort.

Iron lungs have been placed in the various business houses in town this week by Mrs. Theo Tudary, Hancock County chairman of the March of Dimes drive, and her co-workers. The campaign for polio-fighting funds got underway this week in the community and throughout the nation. This year a double effort will be necessary to help the March of Dimes keep pace with the march of polio. Last year the show was postponed but this year it is scheduled for January 10 at the Bay Waveland Yacht Club. The general public is invited to attend.

The annual camellia show sponsored by the Bay-Waveland Garden Club promises to be worth seeing. Last year the show was postponed but this year it is scheduled for January 10 at the Bay Waveland Yacht Club. The general public is invited to attend.

### Baptized Sunday

Mary Jo, infant daughter of Mr. and Mrs. Louis Jacobi, Jr., was christened Sunday at Our Lady of the Gulf Catholic church by her uncle, Monsignor H. J. Jacobi.

Sponsors were Mrs. Lionel Herbert and Edmond Aime.

#### F. A. Koeniger, 59, Expires Suddenly

Fred August Koeniger, a resident of Bay St. Louis for the past three years, died at his home, 636 North Beach, following a sudden heart attack, Sunday, December 30 at 2:00 p.m.

Mr. Koeniger, 59 years of age, was a native of New Orleans where he owned and operated the Cafe du Monde French Market for 18 years and a gift shop. He retired several years ago.

He was the son of the late Louis Koeniger and Conrad Koeniger of New Orleans.

The body was taken from the Fahey Funeral Home to E. J. McMahon Funeral Home, New Orleans for services Monday, December 31. Interment was in Hope Mausoleum.

Mr. Koeniger is survived by his widow, the former Andrea Collier, a daughter, Miss Sybil Koeniger, and a brother.

#### Whitfield Named To Rotary Board

Kenneth R. Whitfield was elected a member of the Board of Directors of the Bay St. Louis Rotary Club, Wednesday, January 2, to fill the vacancy left by the resignation of Robert L. Hamilton, president, who was called into the Army.

Ben F. Hille, vice-president presided at the meeting at which the new members were elected. Visiting Rotarians at the first meeting of the new year were Harold Barber, Gulfport; Frank Hart, Picayune; Bill Page, Natchitoches, La.; and Dr. Emmett Irwin and his guest, Charles Ealy of New Orleans.

At the third meeting of the month of December, the Rotary club held its annual Christmas banquet at which time Santa Claus was present to distribute gifts to the Rotarians and their guests.

The Rotary quartet, composed of Ben Hille, Howard LeBlanc, J. J. Treutle and Dr. James A. Evans, entertained those present with a group of Christmas carols.

#### G. C. Battaloras Entertain Dec. 31

The home of Dr. and Mrs. G. C. Battaloras on North Beach was the scene of a lovely cocktail party Monday night, December 31. Johnson, Mr. and Mrs. Ray Gordon of New Orleans, Dr. and Mrs. E. Socola, Mr. and Mrs. G. M. Fraering, Mrs. Sally Thibodeaux, John Estelero, Mr. and Mrs. L. L. Kergosien, Mr. and Mrs. M. Boulet and Mr. and Mrs. Eddie Montgomery of New Orleans.

#### Hancock Residents Entitled To Free Blood by Program

Since the initial visit of the mobile unit from New Orleans Regional Blood Center, and as long as Hancock County continues to participate in the Blood program by securing their quota of blood, Mrs. Lucien M. Gex, Blood program chairman, stated, "the people of this county are entitled to blood furnished through the American Red Cross without charge."

It has been the policy in the past for New Orleans hospitals to charge, in addition to the service fee for cross matching and administration, a deposit of \$25.00 per unit of blood. The patient has had the option of paying this deposit fee or sending donors to the hospital to replace the blood.

"Now that the Red Cross Regional Blood Center is operating," Mrs. Gex added, "a patient in a New Orleans hospital has a third option. Instead of paying the deposit or sending donors to the hospital, he may request the New Orleans Regional Blood Center to make the replacement of the blood supplied him by the hospital."

This request for replacement must be made in writing by the recipient or a member of his family. Forms for this purpose have been sent to the hospitals in New Orleans.

Under the new policy, the fee for cross matching and administration, a deposit of \$25.00 per unit of blood. The patient has had the option of paying this deposit fee or sending donors to the hospital to replace the blood.

#### Polio Drive Launched In County January 2; Urged To Contribute

The campaign for polio-fighting funds got underway in Hancock County, and throughout the nation this week, as volunteers geared themselves for the doubled effort that will be necessary to help the March of Dimes keep pace with the march of polio.

The campaign period has been doubled this year because the National Foundation has been forced into debt four years in succession by surging polio incidence. The drive started January 2 and will continue until the end of the month.

During the last four years, the National Foundation and its chapters have spent \$79,000,000 in March of Dimes funds for patient care charges alone, as compared with \$41,000,000 in the previous ten-year span.

This situation was brought about not only by rising costs but also because there were more cases during the last four years than in the entire previous decade.

Added to increased costs and increased incidence has been a third factor that has compounded the difficulties of the National Foundation. Polio doesn't just hit and run. The effects of any one year's epidemic are not soon forgotten by many of the stricken ones, nor by the National Foundation chapters which pay the bills.

In 1951, for example, the March of Dimes organization provided care for 45,000 men, women and children stricken in prior years—in addition to the four out of five of the new patients who needed and received help.

This black picture has meant that the National Foundation is annually faced with an average of 30,000 cases, in contrast to the ten to twelve thousand cases a year formerly considered "normal."

#### TB SEAL DRIVE IS CONTINUED

There is still time for Hancock County residents to acknowledge their 1951 Christmas Seal letters, although the campaign officially closed Christmas, according to Dr. Robert E. Schwartz, president of the Mississippi Tuberculosis Association, who today appealed for "late Christmas Seal returns."

"Through Friday, December 28, a total of 4304 has been received from Hancock County residents. This response is encouraging," Dr. Schwartz stated, "but we urge those persons who have not answered their Seal Sale letters to do so as soon as possible so that the Mississippi Tuberculosis Association can continue its fight against Tuberculosis in 1952."

"It is understandable that during the holiday rush some Christmas Seal letters were forgotten or overlooked. We know that many who meant to send in checks or money orders for Christmas Seals have been so busy that they have simply slipped their minds," said Dr. Schwartz.

"We are deeply grateful, however, to the many residents who have acknowledged their Christmas Seal letters."

Three farmers took office January 1, 1952, as members of the Hancock County PMA Committee.

In the county convention held November 30, 1951, in the PMA office, Fitzhugh Lee was re-elected chairman of the Hancock County Production and Marketing Administration Committee. Alton A. Keller was elected vice chairman of the county PMA Committee and Frank Shaw was named regular member.

The newly elected community committeemen in Hancock county are Kleamon Bilbo, David Baker, Theo Bilbo, Elvis E. Neasbie, David Wainwright, Rufus Cuevas, Mabron Eccles, Julius Davis, Gus Frierson, Joseph L. Ladner, Ross Shaw, Andrew Ladner, T. A. Brown, Herbert Zengarlins, O. V. Moran, Norman Benigno and Clarence Moran. The committeemen, elected by delegates from each farming community in Hancock county, will administer the 1952 agricultural program along with other agricultural programs, all of which are geared to the Nation's defense production efforts.

The committeemen are all farmers who are familiar with conservation and production problems in Hancock County. The services of the committeemen are available to all farmers in the county, although, they are not full-time employees of the U. S. Department of Agriculture, they are available at any time to help the farmers of Hancock County with their problems.

"In these times when so much depends on the production from our farms" Mr. Lee stated, "these committeemen are in key positions. Agricultural Conservation Program they administer is available to all farmers in the county to help them produce what is needed for defense and at the same time protect and improve their land for abundant production in the years to come."

The committeemen are all farmers. They were elected by farmers and they are here to serve the farmers of Hancock County. At the same time the programs PMA Committeemen administer are designed to benefit the entire country. The purpose is ample production today and continued tomorrow.

## PASS CHRISTIAN NEWS

by MRS. JOE ALLEN

### PRIZE-WINNERS IN CIVIC LEAGUE CONTEST CHRISTMAS DECORATIONS

The five prize-winners in the Christmas decorations contest sponsored by the Pass Christian Civic League have been named, and their prizes awarded as follows: Best Picture Window, Mrs. Parnell McKay who received a lovely electric iron donated by Allen's Electric Shop; Best Door Way, Mrs. John Bell, who won a beautiful floor lamp donated by Mississippi Power Company; Best Outdoor Tree, Mrs. William Simpson, who won plants donated by the Lorraine Flower Shop; Best General Outdoor Decorations, Mrs. Pete McCollister who won a camellia plant donated by Lorraine Adams' Flower Shop; and Best Business Decorations, Mrs. L. H. Barksdale, who won a Ten Dollar Certificate for merchandise from the Avalon Shop.

Pass Christian was especially festive this Christmas with many charming door-ways, trees, and other decorations. Civic Leaguers wish to thank everyone who participated in the contest and all who helped to make the town's Christmas decorations a conversation topic.

### GIRL SCOUTS GET WORLD EMBLEM BRACELETS AT YULETIDE PARTY

Miss Adele Bjelensberg's troop of girl scouts enjoyed a Christmas party Monday afternoon. The scout meeting room was gay with colorful decorations, and the tree was decorated by a committee from the troop.

A series of games were played including "Star on the Tree," "Treasure Hunt," and a word game finding the most words in "Merry Christmas," also the "Number Game."

Troop Leader Bjelensberg delighted her troop members with gifts. Each girl received a gold bracelet with the World Emblem signifying the world-wide scout movement. They were also given berry-red script ink-pencils wrapped like fire-crackers, and boxes of Christmas candles. Refreshments included ice cream and assorted cakes, also home-made fudge sent with the compliments of Mrs. L. H. Barksdale. Those attending the party included Barbara Ann Allen, Kaye DeMetz, Judy Tipping, Patsy Kimball, Mary Katherine McDonald, Joan Cuevas, Betty Hill, Elaine Noto, Margaret Wittmann, Betty McAllister, Mary Ruby Kall, Brenda Abbey, and Lela Bourdin. Prize winners included Elaine Noto, Betty McAllister, Dianne Jeffcoate, and Brenda Abbey.

### CHRISTMAS EVE THEATRE PARTY FOR PASS CHILDREN

The Rotary Club and the management of the Avalon Theatre planned a movie party for children of Pass Christian, their parents and guardians. The doors of the theatre opened at 7:30 p. m. Monday, December 24, and a number of comedy pictures were featured for the entertainment of the group. Following the movies, Santa himself distributed candies to the children. The custom of a free picture showing on Christmas eve for Pass Children is now well established. It is Manager A. Lemone's way of thinking children for their parents, and the Rotary Club's way of saying, "A Merry Christmas to All."

Mr. and Mrs. Joseph diBenedetto and family have moved from their home on Court Street to their former home on Carroll avenue.

Captain J. C. Roland Jr., who has been spending the holidays with his family, left Friday for New York where he is stationed.

Mr. and Mrs. Pascal Caruso and son, Luke, spent Christmas in Birmingham with their son and daughter-in-law, Mr. and Mrs. Vincent Caruso and son.

John Dupaquier, son of Mr. and Mrs. Walter Dupaquier, will give his senior recital tonight at 8 p. m.

### HARRY TRUMAN GETS PECANS

Rudolph S. Hatch is doing his part to advertise Pass Christian's excellent pecans. He has sent out approximately 100 bags to people of importance throughout the United States, and included among recipients is the Honorable Harry S. Truman.

### EXCELLENT OYSTERS BEING SHIPPED

Approximately 100 kegs of oysters have been shipped from Pass Christian within the past two days, according to Mr. Yarbrough. One customer shipped 76 kegs, each keg holding two gallons of oysters.

### CHRISTMAS PACKAGES UNUSUALLY HEAVY

Despite higher express rates, more Christmas shipments were made through the Pass Christian depot than commonly shipped in December. Packages were that Pass Christian people were filled with the spirit of giving. Gifts, for the most part, are Mississippi grown or Mississippi made.

### FREIGHT INCREASE TREMENDOUS

Business handled through the Pass Christian freight depot has jumped from a normal \$3,000.00 a month to \$35,000 or \$40,000 a month, says Depot Agent Yarbrough. Mr. Yarbrough contributes the swell in business to steel shipments coming in for the Bay-Bridge construction, and for consignments of materials for Keesler Field which are unloaded here and hauled by truck to Keesler.

### \$90 FOR PTA THROUGH SUGAR BOWL TICKETS

Mrs. S. E. Jeffcoat of Henderson Point donated two Sugar Bowl tickets to the P. T. A. recently as a fund-raising project. \$90 has already been collected.

### CITIZENS RALLY TO SUPPORT ROTARIANS

Contributions poured in to assist the Rotary Club with their Christmas Doll and Toy Fund Campaign. Rotarians were gratified with the fine spirit of public cooperation on this worthwhile project.

Published below is a list of contributions as of last week. Approximately 150 persons were remembered through the Rotary Club at Christmas time.

### FIRST GRADERS GET EYE-WITNESS ACCOUNT OF MEXICAN BULL FIGHT

Edward Achley, a new first grade pupil in the Pass Christian Public School, has quickened the class' interest in geography for he has brought into the class room glowing accounts of colorful Mexican bull fights and has proved his knowledge of bulls by making an excellent model from clay. Edward's fancy leather jacket is the envy of every little boy in the class and he has made himself popular in "recess circles" with his ability to spin a good story. Edward's parents, Mr. and Mrs. Charles Achley, formerly of Mexico, recently purchased the Tom Adams home on West Beach. There are five children in the family, two of whom are attending public school here.

### County Agent's Notes

By JAMES TOLER

Dock is one of the worst weeds growing in pastures. It is a perennial and grows in the fall and winter when other plants are not growing and it makes lots of seed. It grows well on bottom land not suited to row cropping.

Dock can be controlled by using the amine form of 2, 4-D as a spray on old established pastures in fall and again in February or March.

Mix one pound of amine 2, 4-D in 20 to 40 gallons of water to each acre.

To control bitter weeds, ragweed and other noxious weeds susceptible to 2, 4-D, use the amine 2, 4-D spray in the early spring and repeat the treatment in July or August.

On cotton farms and other farms where crops that are susceptible to 2, 4-D are grown extreme care must be taken in using the chemical.

White clover will be damaged somewhat by 2, 4-D but not killed. Lespedeza, in permanent pastures was not injured by the amine form. Grasses are not injured by 2, 4-D.

Wild onions can be controlled by using maleic hydrazide. Spray in the fall using four pounds of soluble hydrazide in 20 gallons of water to each acre. Repeat the treatment in February or March when the onions regain growth.

### FARM MACHINERY CONSERVATION

Now is the time to start a check-up and repair program on farm machinery. All farm machinery should be inspected and badly worn and broken parts should be tagged, listing the manufacturer's name, model, catalog year and serial number, and new parts ordered as soon as possible.

Do not wait until the part is needed before ordering it. This can mean a delay in plowing, cultivating or harvesting.

Painting and storage of farm machinery are both important parts of the repair program. Wearing surfaces, as plow points and mower blades, should be cleaned and treated with a rust preventor. Heavy machinery, as disk harrows, cultivators, plows and other land preparation equipment may be stored outside on concrete slabs or floors, and sprayed with a rust preventor.

Store machinery with light gauge materials, pressed woods,

## New Year's Resolutions

Hancock Bank distributed \$198,800 in Christmas Club checks to its 1951 members and new members joining our 1952 Christmas Savings Club indicate an increase for the New Year.

For twenty years now it has been one of our more pleasant banking experiences to help spread the spirit of Christmas by encouraging customers to save for it. There was an increase of nearly \$25,000 over 1950 in our 1951 Christmas fund.

The Christmas Club plan has grown to become a substantial money savings idea. According to the Christmas Club Corporation \$952,000,000 was distributed to 10,875,000 club members by 6,200 financial institutions in 1951.

A survey indicates that only 38 percent of the annual funds distributed to club members is spent for Christmas purchases. Approximately 7 percent is used for taxes, 7 percent to pay insurance premiums, 12 percent to meet January bills and 27 percent goes

into permanent savings. Primarily, however, the club idea was developed for Christmas.

The average family always feels the need for a little extra money at Christmastime, and January bills are often an annual headache. It has always been the policy of Hancock Bank to promote savings as essential to the prosperity of its customers.

We urge you, therefore, to look into this Christmas Club idea immediately. Sign up for 1952 without delay and resolve to save with purpose and consistency. Start the New Year right and be prepared to enjoy next Christmas more fully.

And, we pause again in this Season of Seasons to express to you and yours again our appreciation for your countless courtesies, your continued confidence and, above all, your Good Will.

And, we resolve with the New Year to do our utmost to serve you and this community more effectively, as we wish you an abundance of Good Health, Happiness and Prosperity through 1952.

## WEEKLY NEWS LETTER

by  
W. F. Bond, Commissioner State  
Department Public Welfare

In every county there is a County Welfare Board of five members, one from each beat, appointed by the County Board of Supervisors for a term of four years. The duty of this County Welfare Board is to cooperate with the County Welfare Agent in determining who may be given financial assistance under the state-wide regulations governing the granting of this Federal-State aid. The terms of these five Welfare Board members begin about the middle of the term of the County Board of Supervisors and end about the middle of the term of the next succeeding Board of Supervisors. The terms of the present County Welfare Board Members all end June 30, 1953. The reason for this arrangement is the same as that for the time of the election of the judges of the state, to get the time of the election as far removed as possible from the political turmoil of a general election year.

## Why SPEED to DESTRUCTION

MISSISSIPPI SAFETY COUNCIL

Mississippi Safety Council Officials said today upwards of 470 deaths resulted from highway accidents during 1951, despite stepped-up efforts to curb recklessness. Officials hastened to explain that this total was not complete and represented only reports from over the state as of this date.

A. S. Windham, Executive Director of the State Council, said the state death total would probably be much higher when complete figures are received from all sources from over the state.

Property damage from the 1951 mishaps has not been completely tabulated, but officials estimate that it will be near the twenty million dollar mark.

L. P. Sweat, president of the Council, cautioned drivers and pedestrians to heed signs of the road and streets in helping officials curb fatal accidents during the coming year. He stressed the urgent need for careful driving and walking during the short winter months.

Captain Windham said flatly that less speed on the highways and more caution for pedestrians were the best defensive measures against serious injury or fatal accidents during the coming year. "True," he said, "we have lost over a million of our loved ones, but we all can do much to prevent the violent deaths of the highways and streets. The more caution we use during 1952 will conserve the lives of our loved ones and keep stress and sadness from our homes. The New Year offers all of us that challenge."

Meanwhile, other Council Officials urged drivers to "drive slow and use caution" especially during the winter months. One official said the need for greater caution, less speed and more attention to mechanical safety features of your car are vitally necessary if our loved ones are to be spared a violent death.

Captain Windham said "the wanton disregard for any one of these points can cancel out careful adherence to the others and as a result, the death you cause by carelessness may be your own or that of a loved one."

The Council's attack on careless winter driving came in support of the January program of traffic safety emphasis carried on in Mississippi through the cooperation of the National Safety Council and the Mississippi Highway Safety Patrol.
